weather changes from day to day. Then heavier Underwear, and afterwards a heavier Fall or Winter Suit, and as I have prepared for sudden changes you will find my stock of Gents' Furnishing Goods in all styles, grades, sizes and prices, all en-tirely new and fresh. Also an immense stock of CLOTHING for Men, Youths and Boys. This line cannot be surpassed for its elegance in style, finish and make and fit equal to any custom-made work of which I guarantee. This is the largest stock that I have ever had the pleasure of showing to the public, and the genera style and make of my clothing has gained much popularity in all sections. I think this season that I have surpassed all my previous efforts in selecting this beautiful line of goods. Now, if you have not been through the Emporium of Fashion you should not fail to call and see this stock as well as the Hat Department, whick is full of all the leading styles in Stiff, Soft and Silk Hats, and in this line I have extra sizes up to 75%.

Having bought a Davis Vertical Feed Sewing Machine from Mr. J. O. Boag some through are ago, and it having given me perfect satisfaction in every respect as a family machine, both for heavy and light sewing, and never needed the least repair in any way, I can cheerfully recommend it to any one as a first-class machine in every particular, and think it second to none. It is one of the simplest machines made; my children use it with all ease. The attachments are more easily adjusted and it does a greater range of work by means of its Vertical Feed than any other machine I have ever seen or used.

Mr. Boag: You wish to know what I have to say in regard to the Davis Machine bought of you three years ago. I feel I can t say too much in its favor. I made about \$80 within five months, at time- ranning it so fast that the needle would get perfectly hot from friction. I feel confident I could not have done the same work with as much case and so well with any other machine. No time was lost in adjusting attachments. The lightest running machine I have ever treadled. Brother James and William's families are as much pleased with their Davis Machines bought of you. I want no better machine.
